ABOUT

Our Vision

Enriching Community through Contemporary Arts Practice

Our Strategic Priorities

Salamanca Arts Centre (SAC) has identified four Strategic Priorities:

Our Support of Art and Artists
Our Buildings and how we use them
Our Capacity to Connect with Communities
Our Governance, Sustainability and Viability

Our Purpose and Aims

To enrich creativity throughout Tasmania.

We support contemporary artists with resources and opportunities to make new work, to engage with other artists and to share their practice with the world.

We enliven our spaces with activities of creating, innovating, making, communicating and connecting, to ensure the continuing relevant and value of the nationally significant Salamanca warehouses.

We enable diverse communities of artists, producers, audiences and visitors to engage with the arts in ways that enrich their lives and expand their vision.

Our Aims

SAC's aims are to enable artists to create new works of national significance, to enable artistic entrepreneurship, to manage our buildings responsibly and ethically, and, through respect, guidance and inspiration, to foster connections between artists and audiences. Central to achieving our Purpose are the individual artist's studios, our art and design retailers and other arts organisations who choose to make their home within Salamanca Arts Centre's buildings and beyond, through our programs and support.

Our Core Values

In everything that SAC does, we adhere to the core organisational values of:
Stewardship
Diversity
Integrity
Excellence
Dynamism

What SAC is and does

Salamanca Arts Centre (SAC) is a not-for-profit Arts Centre formed in 1975 as an incorporated association and established in 1977 in buildings owned by the Government of Tasmania and leased to SAC to manage as a Community Arts Centre. In 2009 Salamanca Arts Centre became a Company Incorporated by Guarantee.

SAC will continuously strive to be locally valued and universally recognised for our support of artists and the development and presentation of new works of national significance.

SAC is the custodian of seven heritage buildings and manages these buildings on behalf of the people of Tasmania. SAC is home to studio artists in residence, numerous arts organisations working across the visual and performing arts, festivals & events, literature, writing & film, and to designers, makers, retailers of, and commercial galleries for contemporary art and design.

SAC also manages a suite of venues including the [Peacock Theatre](#), [Long Gallery](#), [the Founders Room](#), [Sidespace Gallery](#), [Kelly's Garden](#), [Courtyard](#), [Top Gallery](#) and the [Lightbox](#). Our venues showcase SAC's curated and programmed events as well as our Access Programs for community and independent performances, art exhibitions and other arts themed events and projects.

Operating parallel to the management of the buildings and venues, SAC works with local, interstate and international artists, working across all art forms, to conceive and develop new works, and to present those works to local and visiting audiences. We work to connect the local and the global.

The staff at SAC are a team of dedicated, passionate and committed arts administrators, whose collective skills, qualifications and experience are invested into supporting artists to realise their creative endeavours and to generate a livelihood from their art practice.

SAC's arts and public programs are supported by Arts Tasmania, City of Hobart, Australia Council for the Arts, and philanthropic trusts, donors and sponsors. An estimated 280,000+ visitors and locals pass through SAC's doors every year, visiting galleries, exhibitions, performances and community events.

Approximately 200 people are now directly employed by the 60 arts organisations based at SAC. These organisations, resident artists, retail galleries and their activities collectively contribute an estimated \$50M annually to the Tasmanian economy. An estimated 6000+ artists are represented across a year through the combined activities of all SAC's resident organisations, venues, events, exhibitions, projects, residencies and memberships.

LIGHTBOX

The Lightbox is Salamanca Art Centre's most intimate venue, and is encountered even before passing through the front doors. Commanding the best public location in Salamanca Place, the Lightbox is a square metre of window space available to approved artists to install works that utilise the attributes of this special exhibition space.

The Lightbox gallery is part of SAC's subsidised Access Galleries program and is offered to SAC Associate Members and SAC Resident Artists for FREE on the acceptance of an exhibition proposal.

The Lightbox is a window space beside the main entrance to the Salamanca Arts Centre (Young Building Entrance) on Salamanca Place and can be viewed by the public 24 hours a day.

SAC has an on-going curatorial program for artists to interpret the space with specific installations that reflect its dimensions and the passage of light through it. Each month showcases the work of a different artist's contemporary artworks, including sculpture, ceramics, jewellery and installation.

In May 2019 the Lightbox underwent some renovations:

The old multi-pane window facing Salamanca Place was replaced with a single-pane of glass and the interior is now white. We hope that these improvements will assist in the visibility of the Lightbox and better showcase artworks.

Please note: The Lightbox is not a commercial display case for the sale of goods. However, artworks within the Lightbox installation may be for sale.
